Duke TIP is in its 32nd year of identifying gifted students and offering support to enrich their educational needs. Savannah Christian Middle School is pleased to announce that invitations to participate in Duke TIP will be mailed to qualified candidates the week of September 12th. Congratulations to everyone who qualified to participate in this very selective program.

How To Qualify

You must have scored at the 95th percentile or higher on an accepted subtest or total battery/composite of a grade-level standardized achievement test, aptitude test, mental-ability test, approved state criterion-referenced test OR have a standard score at or above 125 on the full scale or composite score on an IQ test that is no more than two years old. The two most recent test administration scores are accepted. For most 7th grade students this represents either the 6th grade or the 5th grade scores. Students need to qualify in only one of the acceptable composite or subtest areas.
