Please note that there will be two new <u>uniform options</u> for all PK through 12th grade GIRLS starting with the 12-13 school year.

Because the personal appearance of each member of the student body reflects upon the entire school, a prescribed uniform policy has been adopted for all stu-dents in grades Pre-K through 12. Every effort has been made to be clear; however, if an interpretation is to be made, the school administration will have the final say.

Our approved uniform suppliers are stocked and ready to help you with all your uniform needs. Here are a few helpful hints:

- Buy your uniforms only from "approved" suppliers. They have the correct colors, approved materials and styles, and have the correct logos needed for specific items.
- Label your child's uniforms, outerwear, gym clothing and shoes. Labeling these items is the best way to help your child, no matter their age, keep up with their belongings.
- Refer to the <u>uniform policy</u> when you shop to help guide you through the necessities and details. We appreciate your diligence!

For your ease in shopping, approved suppliers are conveniently located throughout Savannah and surrounding communities. Please be sure to purchase specific items such as the plaid skirts, skorts and jumpers, shorts and pants, as well as outerwear from the approved uniform suppliers listed below.
