Lower School Handbook Agreement

I have read the Savannah Christian Preparatory School's Student Handbook and understand the provisions and guidelines set forth within each document. I have given special attention to pages 3-30 and have reviewed these with my child. I pledge my word to live by the standards of the school as set forth in the Handbook. I understand if I violate any of the provisions or guidelines, I hurt the whole school body and bring upon myself the disciplinary action described in Handbook.

I understand that by signing this Agreement, I reaffirm my desire to be a part of the SCPS school body and agree to follow the provisions and guidelines set forth in the Handbook.
